Joseph started his career in private client investment management at JM Finn in 2016.

After initially moving across into holistic financial advice with Quilter in 2020, he joined Chase Buchanan in 2024. Joseph now provides bespoke financial planning and investment management advice to a wide range of clients internationally, helping them to navigate the complexities of personal finance and investments with confidence and peace of mind.

Whether your goal is to maximise your income and lifestyle in retirement, provide for your children's future, create a clear estate succession plan or to address more complex family issues, Joseph aspires to provide comprehensive and transparent advice that you can always rely on.

Joseph takes great pride in delivering a highly bespoke and personal service, ensuring that each client receives tailored solutions that align with their unique financial goals and circumstances. He is available to discuss with you any investment opportunities that may arise in the markets and can also act as a sounding board on a broader range of financial issues, depending on your specific needs and requirements.

By dividing your wealth into different 'pots', each with a range of objectives driven by accessibility, target returns and risk tolerance, Joseph believes that it is possible to simplify the financial challenges that each investor faces with a clear financial plan that both protects and cultivates wealth across generations.

Joseph believes that as responsible custodians and skilled stewards of our clients' capital, investing with a sensible, focused and patient approach is the best way to earn your trust as a dependable partner over the long term.

Chase Buchanan clearly stood out to Joseph as a market leader in global financial advice, being both a highly regulated and privately owned company. This means we enjoy committed leadership and a long-term vision to be the best Private Wealth Management company in our industry.

Joseph holds the QRF Level 6 Financial Markets paper from the Chartered Institute for Securities & Investment, the QRF Level 4 Diploma for Financial Advisers from the London Institute of Banking & Finance and the QRF Level 4 Investment Advice Diploma from the Chartered Institute for Securities & Investment. Joseph is currently studying to take the STEP Advanced Certificate in International Trusts: Law and Practice exam in November 2024.

Outside of work, Joseph enjoys playing trombone in several jazz groups with his brothers, as well as mountain hiking, batting middle of the order for Sidcot Cricket Club, tennis, fitness and reading books.

WHAT OUR CLIENTS HAVE TO SAY

J Jenkins

Chase Buchanan assisted in the relocation of my UK pension to an overseas pension scheme. The transfer was completed in good time. My pension was initially managed by the CEO; Joe has recently taken over, advising in the same competent manner. Chase Buchanan has done very well for me; losses which accrued during COVID have been recovered, so my investment curve is back on track.

Mr Rigby

Just wanted to let you know that I am incredibly happy with the Portfolio Update you sent me recently. I can honestly say that my portfolio has made more profit in 3 months with you than 5 years with my previous company.

Keep up the good work.

“I am very happy with the service provided by Chase Buchanan. They keep me regularly informed and I would recommend them to others.”
